

## **Murphy Oil Corporation Announces Early Results and Early Settlement of Tender Offers for Senior Notes Due 2022; Extends Early Tender Premium Through Expiration Date**

November 27, 2019

EL DORADO, Ark.--(BUSINESS WIRE)--Nov. 26, 2019-- Murphy Oil Corporation (NYSE:MUR) announced today the early results and early settlement of its previously announced cash tender offers (the "Tender Offers") to purchase up to \$550 million aggregate principal amount (the "Tender Cap") of its outstanding 4.000% Senior Notes due 2022 (the "4.000% Notes") and 3.700% Senior Notes due 2022 (the "3.700% Notes" and, together with the 4.000% Notes, the "Notes").

According to information received from Global Bondholder Services Corporation, the Depository and Information Agent for the Tender Offers, as of 5:00 p.m., New York City time, on November 26, 2019 (that date and time, the "Early Tender Time"), \$233,494,000 aggregate principal amount of the 4.000% Notes and \$273,027,000 aggregate principal amount of the 3.700% Notes were validly tendered and not validly withdrawn pursuant to the Tender Offers.

Murphy expects to accept for purchase \$233,494,000 aggregate principal amount of the 4.000% Notes validly tendered and not validly withdrawn and \$273,027,000 aggregate principal amount of the 3.700% Notes validly tendered and not validly withdrawn (such notes collectively, the "Purchased Notes").

Holders of the Purchased Notes will receive total consideration of \$1,048.00 per \$1,000.00 principal amount of 4.000% Notes accepted for purchase and \$1,050.00 per \$1,000.00 principal amount of 3.700% Notes accepted for purchase, which amounts include, in each case, the early tender premium (the "Early Tender Premium") of \$50.00 per \$1,000 principal amount of 4.000% Notes and 3.700% Notes accepted for purchase.

Holders of the Purchased Notes will also receive accrued and unpaid interest from the last interest payment date with respect to their Purchased Notes to, but not including, November 27, 2019, the early settlement date for the Tender Offers.

The terms and conditions of the Tender Offers are described in the Offer to Purchase, dated November 13, 2019 (the "Offer to Purchase"), which was previously distributed to holders of the Notes. The Tender Offers will expire at 11:59 p.m., New York City time, on December 11, 2019, unless extended or earlier terminated by Murphy (the "Expiration Time"). Assuming acceptance for purchase by Murphy of Notes validly tendered and not validly withdrawn, payment for Notes tendered after the Early Tender Time but at or prior to the Expiration Time will be made on a settlement date expected to be the business day following the Expiration Time, or as promptly as practicable thereafter. Subject to the Tender Cap, the amount of a series of Notes that is accepted for purchase will be based on the Acceptance Priority Level (as defined in the Offer to Purchase) for such series of Notes. Acceptance of tenders of Notes may also be subject to proration if the aggregate principal amount of Notes validly tendered and not validly withdrawn would cause the Tender Cap to be exceeded.

The Offer to Purchase noted that the Early Tender Premium would not be paid to holders who tendered Notes after the Early Tender Time. However, Murphy announced that it has waived this provision and will deliver the total consideration of \$1,048.00 per \$1,000.00 principal amount of 4.000% Notes and \$1,050.00 per \$1,000.00 principal amount of 3.700% Notes to holders who tender Notes after the Early Tender Time but at or prior to the Expiration Time and whose Notes are accepted for purchase.

Murphy intends to fund the Tender Offers with the net proceeds of its proposed offering of debt securities announced on November 13, 2019 (the "Debt Financing"), together with cash on hand.

This press release is neither an offer to purchase nor a solicitation of an offer to sell securities. No offer, solicitation, purchase or sale will be made in any jurisdiction in which such offer, solicitation, purchase or sale would be unlawful. The Tender Offers are being made solely pursuant to terms and conditions set forth in the Offer to Purchase.
