About Murray & Roberts Holdings Limited

Murray & Roberts has a long and proud heritage of more than a century and is today recognised as a multinational project lifecycle group. It's the Group's vision, by 2025, to be a leading multinational group that applies its project lifecycle capabilities to optimise client's fixed capital investment. The Group achieves this by focusing its expertise and capacity on delivering sustainable and fit-for-purpose project engineering, procurement, construction, commissioning, operations and maintenance solutions.

The Group delivers its capabilities into three global market sectors: oil & gas; metals & minerals and power & water.

Murray & Roberts is headquartered in Johannesburg, South Africa, and is listed on the JSE Limited. It has offices in:

1. **Africa:**
 - a. South Africa, Mozambique, Zambia and Ghana
2. **Australasia:**
 - a. Australia and South Korea
3. **Europe**
 - a. Scotland
4. **North America**
 - a. USA and Canada

Murray & Roberts is a group of world-class companies and brands aligned to the same purpose and vision, and guided by the same set of values.
