Item 5.02(e) Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On April 15, 2019, Murphy Oil Corporation (the “Company”) entered into Severance Protection Agreements (the “Severance Protection Agreements”) with David R. Looney, Executive Vice President and Chief Financial Officer of the Company, Michael K. McFadyen, Executive Vice President of the Company, and Walter K. Compton, Executive Vice President and General Counsel of the Company (each, an “Executive Officer”). The form and terms of the Severance Protection Agreements were previously approved by the Executive Compensation Committee of the Board of Directors of the Company on February 5, 2019.

Each Severance Protection Agreement has an initial term of three years, and will automatically be extended for successive one-year periods unless either party provides 90 days prior written notice to not extend the term. The Severance Protection Agreements provide that if, within twenty-four months following a Change in Control of the Company, the Company terminates the Executive Officer’s employment for any reason other than for Cause or Disability, or the Executive Officer resigns for Good Reason (as such terms are defined in the Severance Protection Agreements), the Executive Officer will be entitled to the following severance benefits:

- a lump sum cash payment equal to two times (or three times for the Company’s Chief Financial Officer) the sum of (i) the Executive Officer’s annual base salary in effect immediately prior to the termination (or if greater, the highest rate in effect at any time during the 90-day period before the Change in Control) and (ii) the average of the Executive Officer’s annual bonus for the three years prior to the termination (or if greater, the three full fiscal years prior to the Change in Control);
- full vesting of all outstanding equity awards;
- continued life, accident and health insurance coverage for the 30-month period following termination (or the 36-month period following termination for the Company’s Chief Financial Officer); and
- certain relocation benefits.

The Executive Officers are not entitled to any tax gross-up payments for any golden parachute excise tax that may be imposed on them as a result of a Change in Control and severance benefits resulting from a subsequent termination of employment.

The Executive Officers will be subject to certain non-competition and non-solicitation restrictive covenants for one year following a termination of their employment that occurs following a Change in Control.

The foregoing description of the Severance Protection Agreements does not purport to be complete and is qualified in its entirety by reference to the form of Severance Protection Agreement, a copy of which is expected to be filed as an exhibit to the Company’s Quarterly Report on Form 10-Q for the quarter ending March 31, 2019.
